BUILDING BRAND AWARENESS FOR BUSINESS

Step by Step

To run your Facebook & Instagram ads and manage your campaigns, please add Pixillusions as a Partner in your Business Manager. This way, you remain the owner of all assets, and we simply get permission to manage them for you.

[LOG INTO BUSINESS.FACEBOOK.COM](https://business.facebook.com)

GO TO BUSINESS SETTINGS (BOTTOM LEFT GEAR ICON).

IN THE LEFT MENU, CLICK USERS → PARTNERS.

CLICK ADD → GIVE A PARTNER ACCESS TO YOUR ASSETS.

Enter our Business ID: 933169064557853

SELECT THE ASSETS TO SHARE WITH PIXILLUSIONS:

FACEBOOK PAGE(S) | INSTAGRAM:
FULL ACCESS FOR CONTENT, MESSAGES, ADS.

AD ACCOUNT: MANAGE CAMPAIGNS.

PIXEL/DATASETS: VIEW, MANAGE, AND ASSIGN TO AD
ACCOUNT.

CLICK ASSIGN.

That's it! Once done, we'll be able to manage your ads, posting, and tracking under Pixillusions — while you stay the full owner of your Pages, Accounts, and Assets. If you run into any issues, just send me a screenshot and I'll guide you through it.
